THE SENIOR

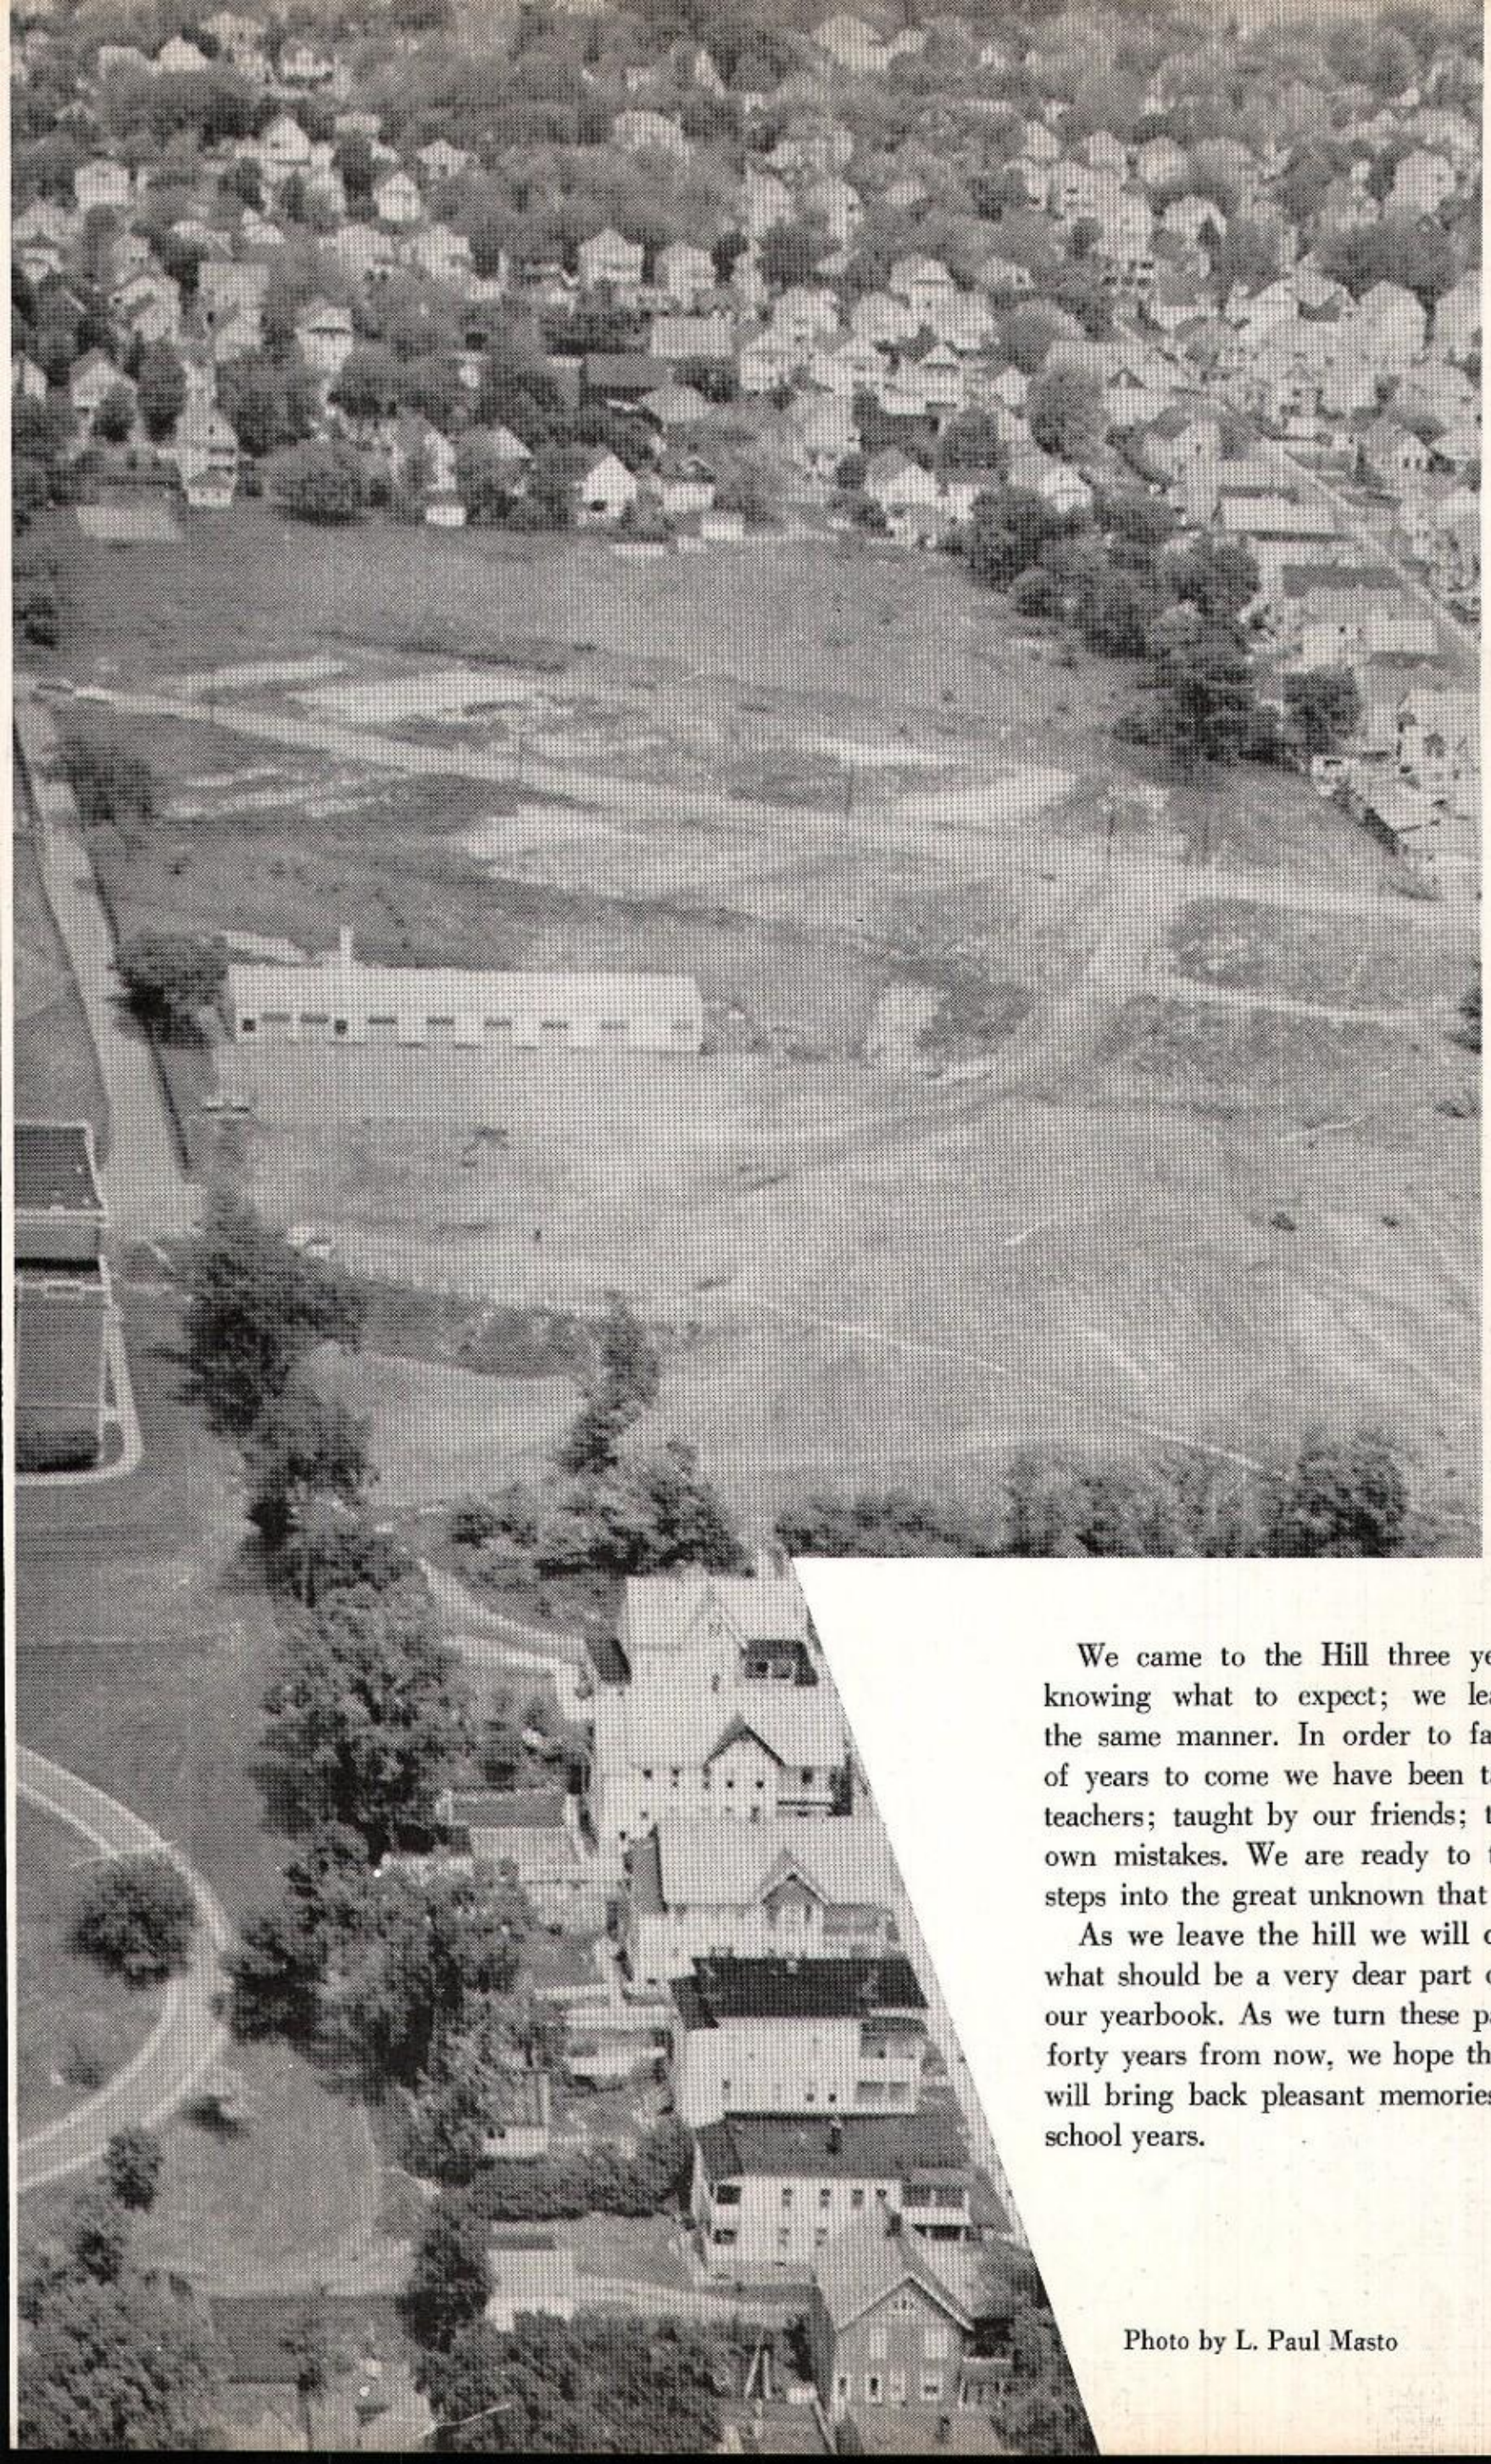
FOREWORD



We came to the Hill three years ago, not knowing what to expect; we leave in much the same manner. In order to face the events of years to come we have been taught by our teachers; taught by our friends; taught by our own mistakes. We are ready to take our first steps into the great unknown that is the future.

As we leave the hill we will carry with us what should be a very dear part of our lives—our yearbook. As we turn these pages thirty or forty years from now, we hope that this annual will bring back pleasant memories of our high school years.

DEDICATION

Mr. Edmund "Prof" Reilly:

In your many years at A.H.S. you have demonstrated great teaching ability. This alone would make you a success, but you have not been content to let your contributions end here. You have willingly volunteered to help the students by chaperoning dances, selling tickets and accompanying us to Washington each year. You have helped us in our younger days by supervising public playground activities. But most important, you have proven yourself a real friend.

As a small gesture of appreciation, we dedicate to you our yearbook, "The Senior '60."

We extend our grateful thanks to our advisors, Miss Burnham and Mr. Boals; our class sponsor, Mr. Roy; to our class of 1960 and to all those who made the publication of this yearbook possible. We hope that you will enjoy the "Senior '60."

SUPERINTENDENT OF SCHOOLS

DR. STANLEY L. RAUB

You have reached a milestone in your life and I wish to express my profound congratulations to the graduating class of 1960. Your educational pursuits here should help you reach a worthy objective—a full life. Instinct, mind, and spirit are all essential to a full life; each has its own excellence and its own corruptions. Each can attain a spurious excellence at the expense of others; each has a tendency to encroach upon the others; but in the life which is to be sought all three should be developed in coordination and intimately blended in a single harmonious whole. May you be successful in achieving this full life during the years to come!

Stanley L. Raub

MR. TURNER and MR. HALL (Principal and Vice Principal)

To the Class of 1960:

Your days at Wilbur H. Lynch are soon to end. Many of you will go on to higher education; others will enter upon a chosen career in business, the trades, or as homemakers. Wherever your paths may lead, I sincerely hope that the years you have spent here have prepared you for success and a reasonable measure of happiness. I hope you will carry with you many pleasant memories of your schoolmates and teachers, and that you will remember, as you leaf through this book in later years, that each and every one of you left here with the deep and sincere good wishes of all of us—and I speak for Mr. Hall and every member of the staff, as well as for myself.

HOW WE GOT THIS WAY . . .

1957-1958 At last we were part of what we had long heard and talked much about. There were many new situations facing us. "You mean to say that both boys and girls can sit on the same side of the gym during lunch? And can we really enter and leave the school by any door we wish?" For a while we were embarrassed and ridiculed by the "superior" upperclassmen, but after a few weeks we became accustomed to the new school life. Our first school election resulted in Tony Penge being chosen as President of our Sophomore Class with Tony Califano as V.P.; Lenny Bush and Ann Agosta were treasurer and secretary respectively. A 2-3 record was posted by our football team. We were all encouraged to join a Hi-Y and many of us were elected to the Student Council. On Christmas Night we spent pleasant hours at Phi Delta's "Emerald Eve." After struggling through our first midyears, we encountered fraternities and sororities. Many of us joined and, in spite of that first week, few have regretted their decision. "I thought that only ducks duck-walked!" The Jayvee cheerleaders—Sue Davidson, Diane Valerio, Dottie Buczkowski, Joanne Nicosia, Pauline Martini, Janet Peck, Janet Zeppieri, Ann Agosta, and Carol Quini—chose Chris Fontecchio to lead them. These girls cheered our basketball team on to a 12-5 record. In June we learned firsthand what the Regents were all about. "Look—technicolor!" After this, summer vacation was a welcome thing.

1958-1959 We were now on the second rung of the ladder to our success as illustrious "Seniors" and this year our class was represented by Andy Chmura and Tony Califano as president and vice-president. Ann Agosta was secretary for the second year and Harry Boswell was elected treasurer. Diane Valerio became the new varsity cheerleader captain. A new football coach, Mr. Long, came to guide our team. The young crew stacked up a 1-4 record. Phi Delta's annual Christmas formal bore the festive name "Holiday Soiree." Our class broke the tradition at A.H.S. by buying round class rings. Cupid's Cotillion, presented as the annual Valentine formal by KE, was a pleasant break after those dreadful midyears. Our class resumed the Junior Prize Speaking Program and Lois Maat and Frank Gerardi emerged the winners. A great basketball team presented the school with a 14-5 record. In the spring twelve of our number were inducted into the National Honor Society. Our Junior Prom was a fitting end to a good school year. We can still see the large castle and beautifully decorated gym that set the stage for Shangri-La. And so went our second year.

1959-1960 The day that never would come finally did arrive on September 9, as we took up our roles as the big shots around the school. A few of us garnered top positions in the class, several more edited our yearbook and Item, and a few became Senior members of the Honor Society. We had a fairly successful football team, and the basketball season proved as exciting as usual. We survived our final midyears and drove ourselves hard toward the ultimate goal: Graduation. Now it is upon us we look back over our three years in A.H.S. with a feeling of gratitude and fond memory as we leave.

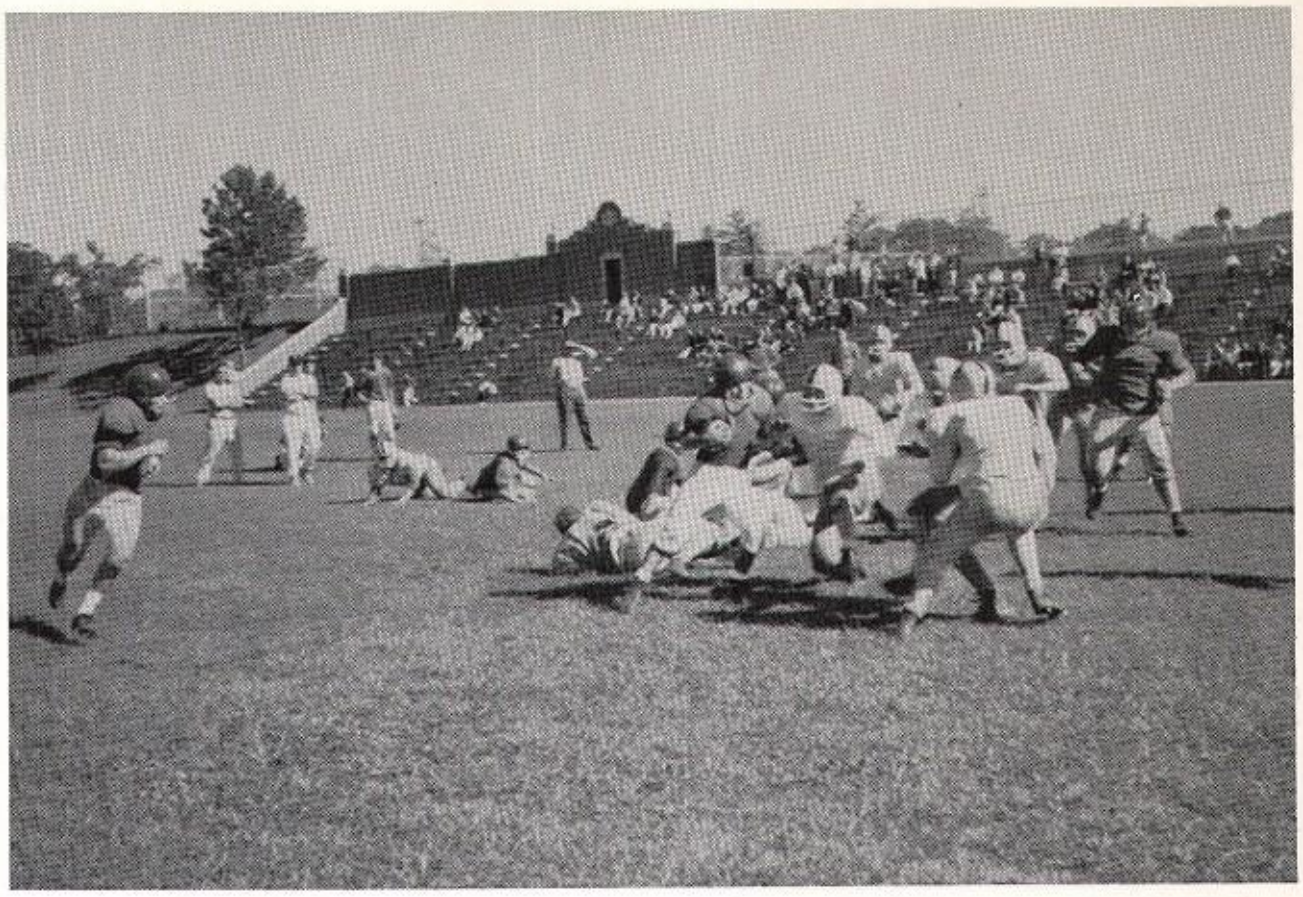
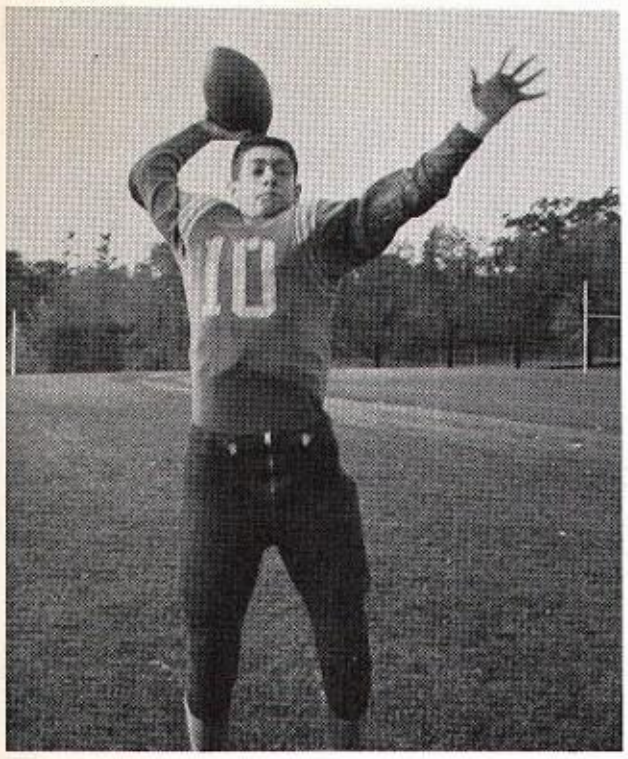
KNEELING: Captains: Anthony Califano, Charles Rembert, Andrew Chmura. STANDING: Assistant, Butch Miller; Asst. Coach, Wesley Boals; Head Coach, George Long; Assistant Coach, Ed Cionek.

Coach: GEORGE LONG

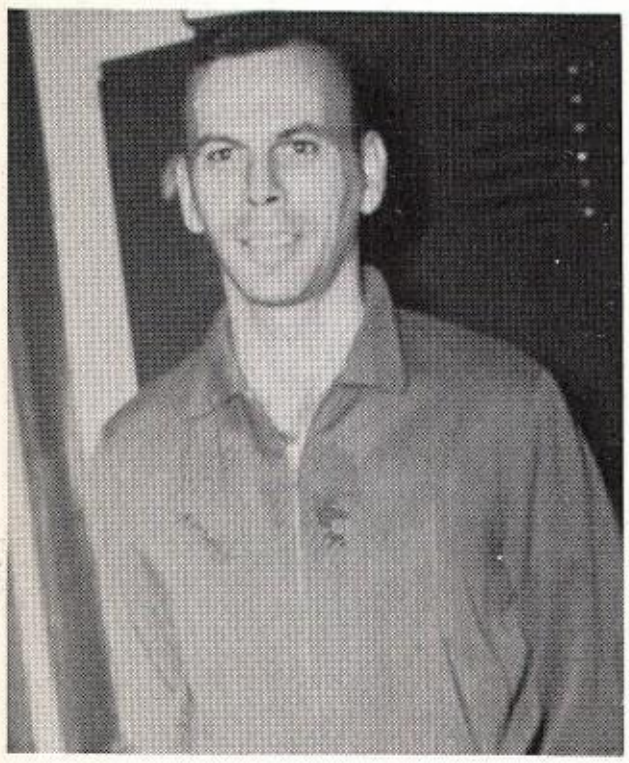


Warm up for G'Ville Go, Penge!



Co-Captain QB
ANDREW CHMURA

The Hilltoppers lost their opening game to Gloversville by a 13-7 score. The Hill defense was good until a short lapse in the third quarter which led to two Gloversville scores. Chuck Rembert led a drive and scored the Hill's first touchdown. After Joe Sarline's interception, they were off again. Behind the running of Tony Penge and the passing of Andy Chmura, the Hillmen threatened another score. A pass from Chmura to Rich Andrus put them on the Glover's three. But before they could run another play, time ran out.



JV Coach DICK RUBACK

Get that Kuhne, boys!

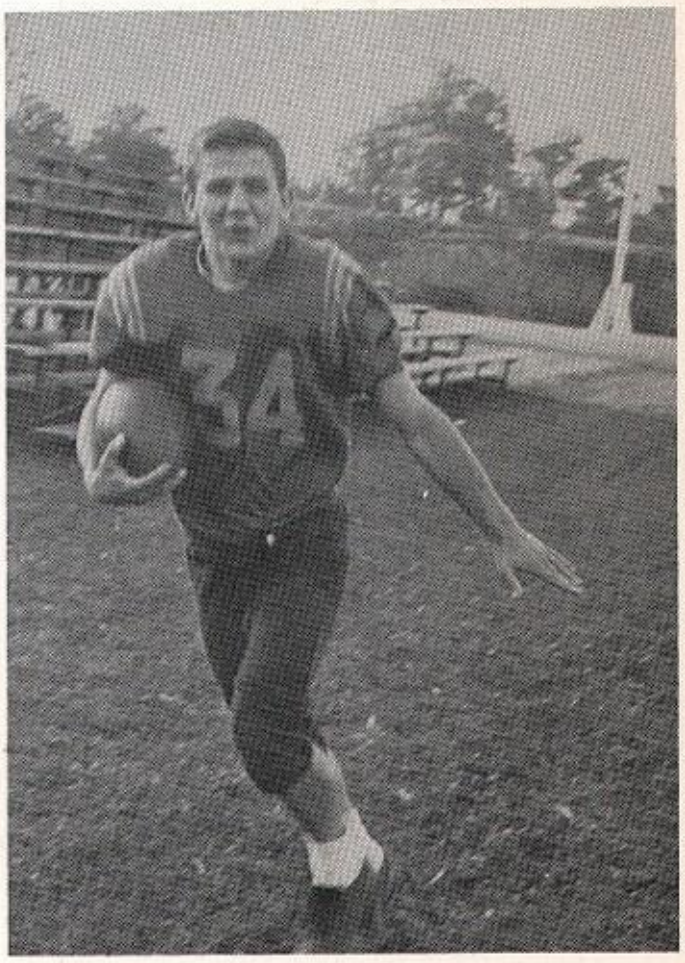
Andy to Duke to Penge . . .

Co-Captain TONY CALIFANO

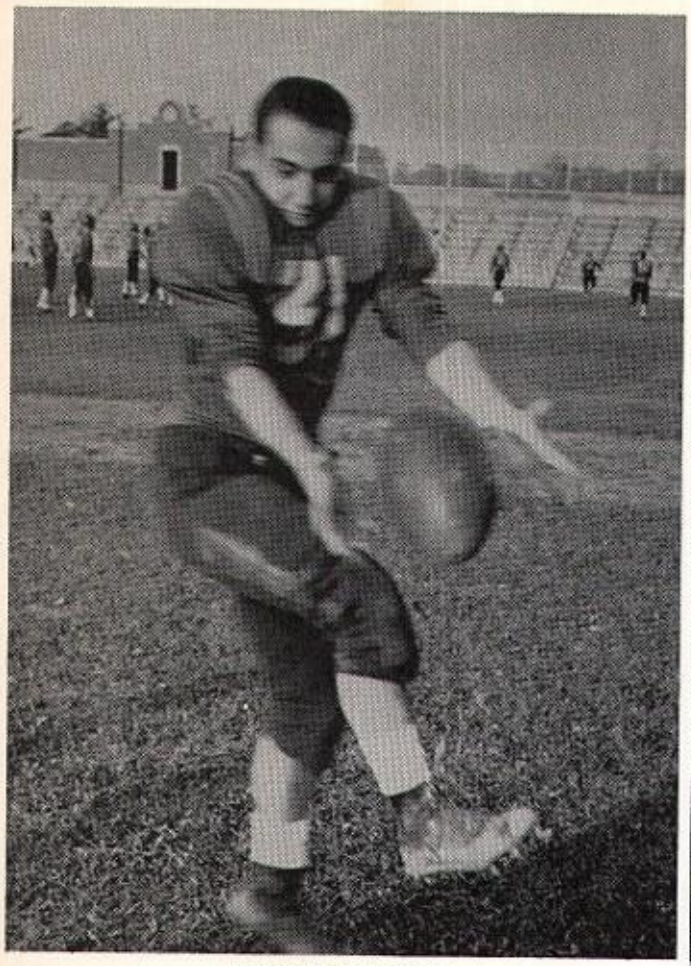
For the second week in a row, the Hillmen gained over 400 total yards but could pick up only one touchdown. It was Tony Penge Day as he scored twice, only to have one nullified for holding in the line. One score was enough, however, as the defense was unyielding. A special pass play, with Chmura throwing a hook pass to Dulczewski who lateraled to Penge, accounted for the score. Thus the A.H.S. gridders beat their arch rival Linton for the first time in over ten years.

AHS 6 — LINTON 0

— to victory!

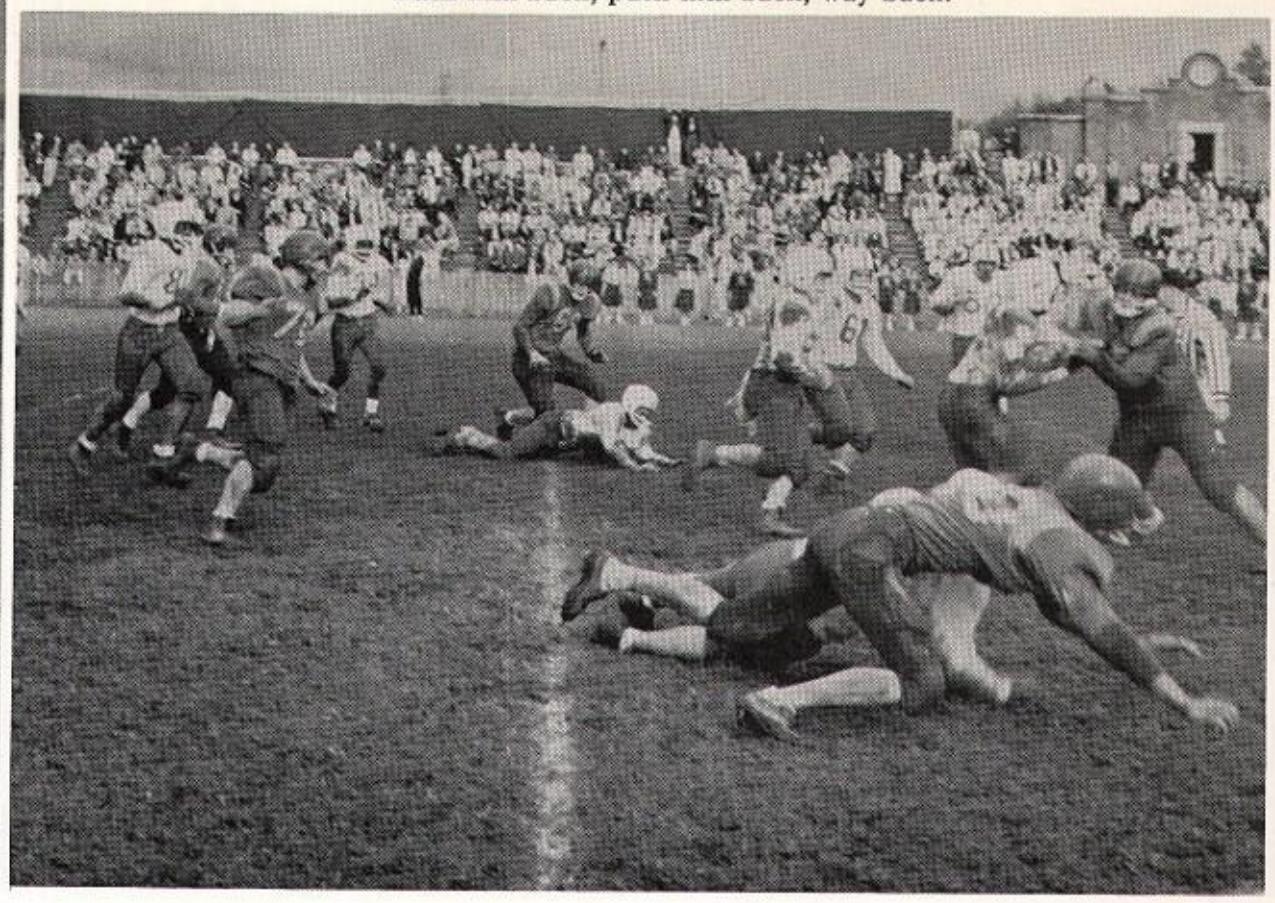


Co-Captain CHUCK REMBERT



TONY PENGE

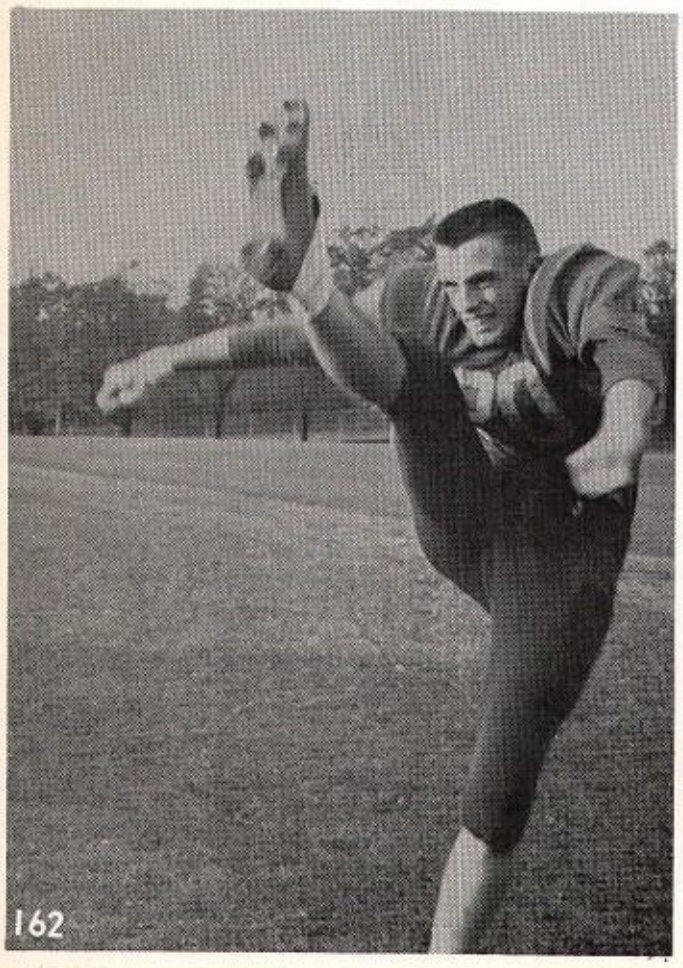
Push him back, push him back, way back.



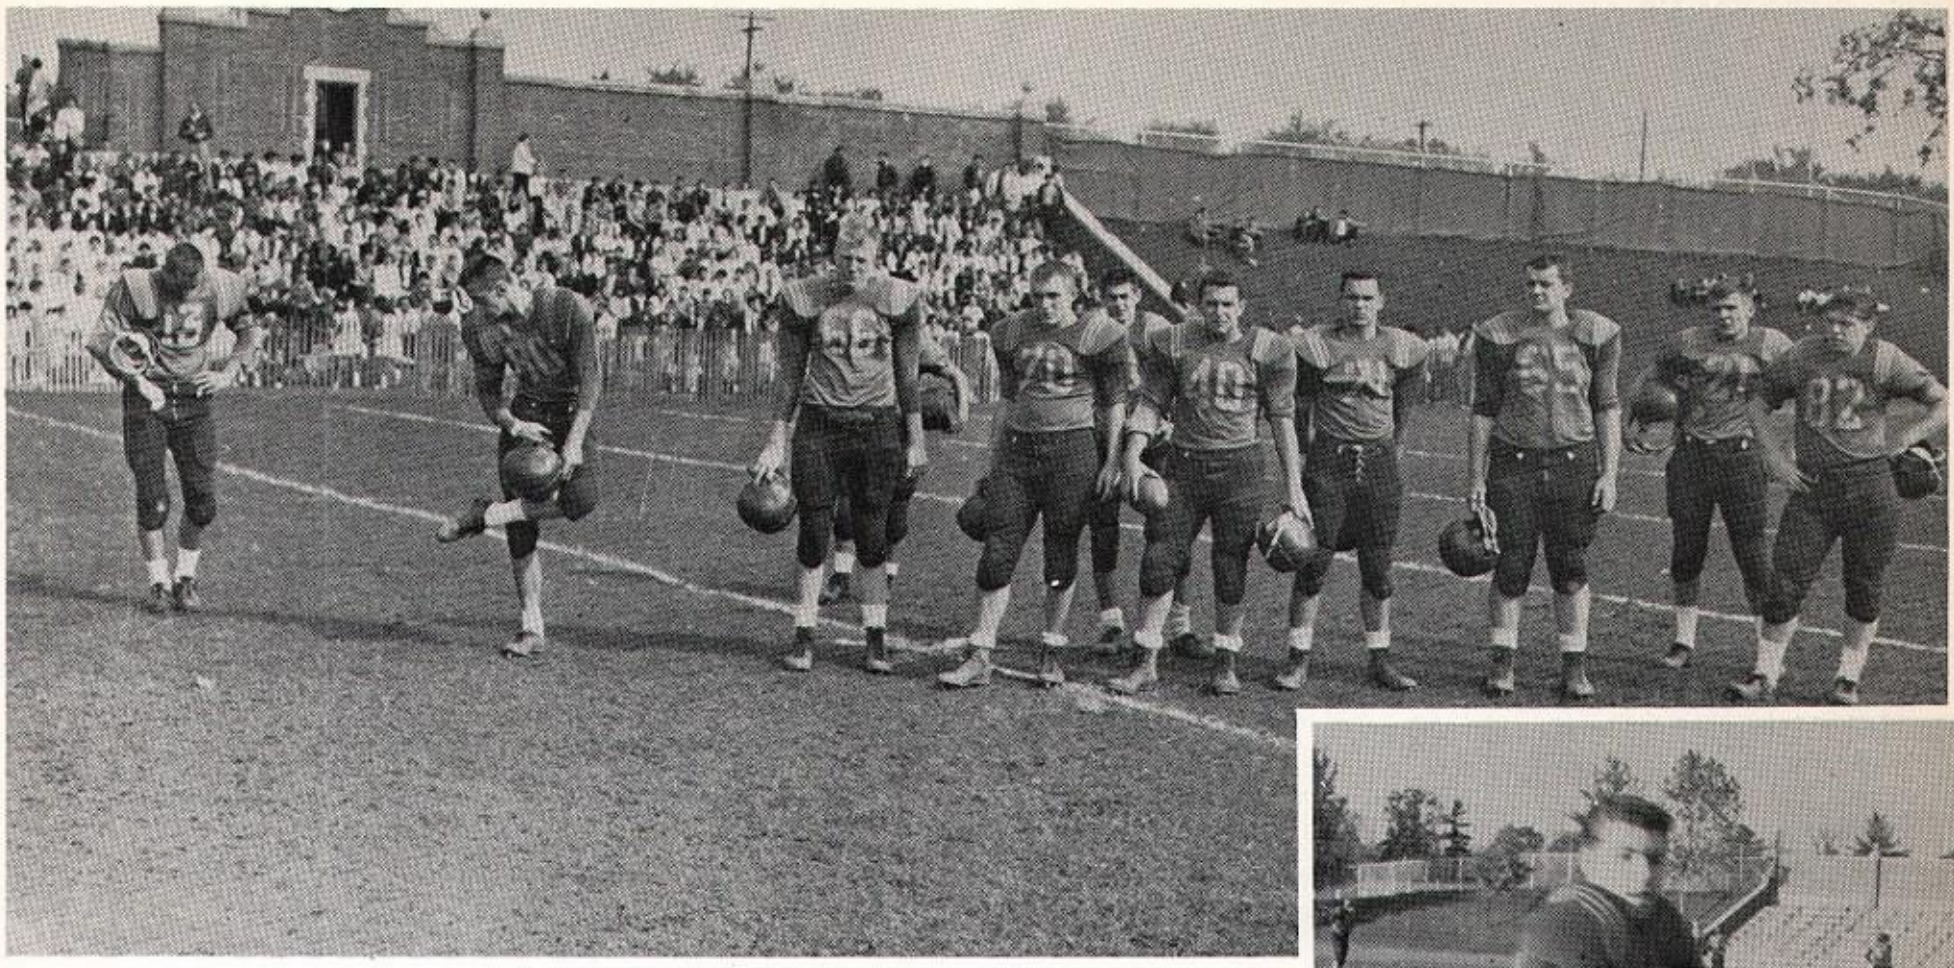
RICH ANDRUS

The A.H.S. gridders lost their second heartbreaker of the year to a tough La Salle team by a 13-0 score. The Hilltoppers had complete command in the first half but penalties and fumbles stopped two drives. In the final half, now feeling the absence of injured Penge and Rembert, the Hillmen began to weaken. Two long drives on short gains gave La Salle the win. Four goalline stands in the last half by the Hilltoppers proved their stubborness but La Salle was too much for the Hilltoppers.

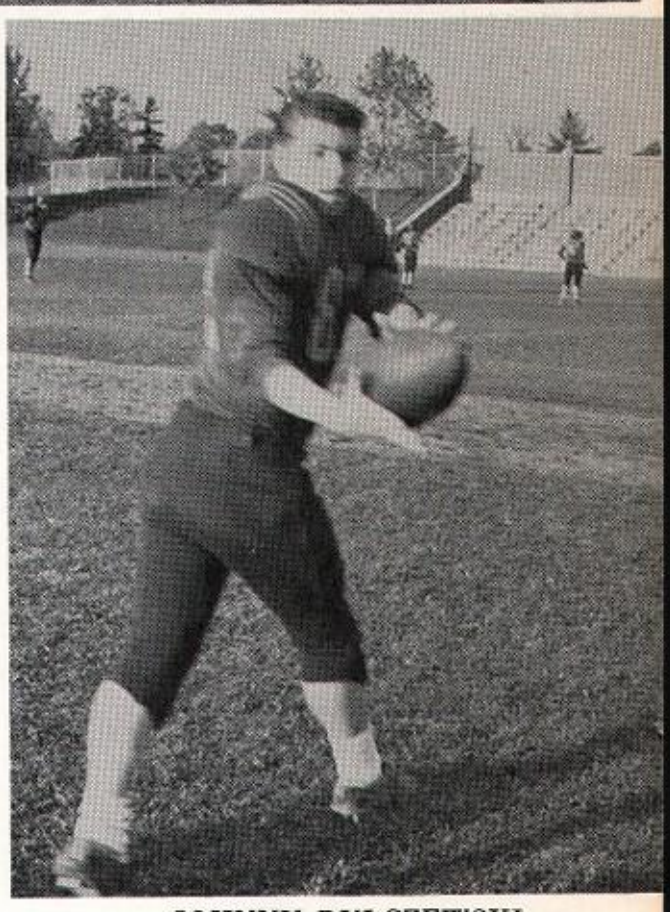
LA SALLE 13 — AHS 0



Give that man some blocking.



Everybody say "Cheese."

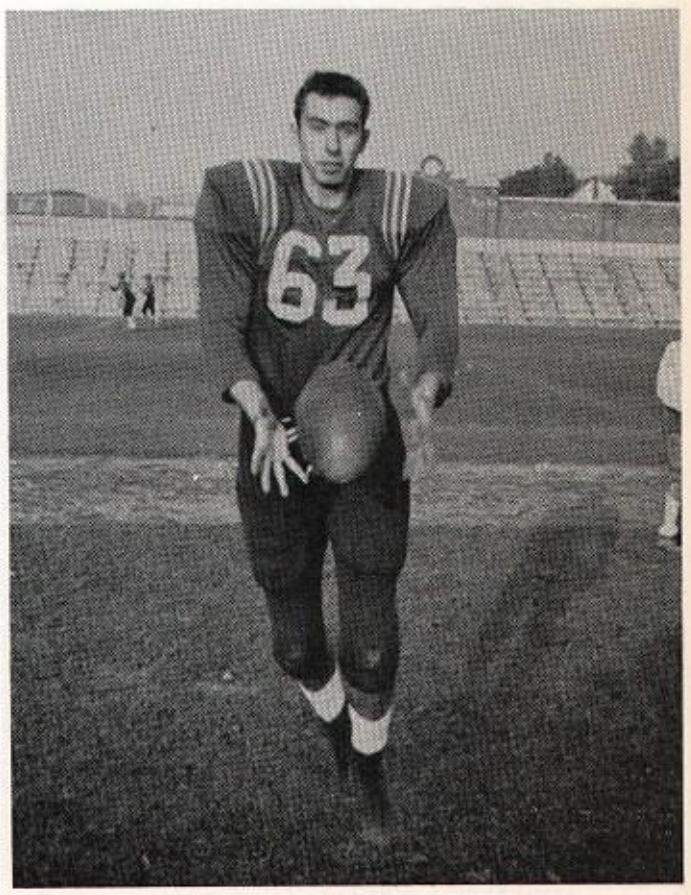


JOHNNY DULCZEWSKI

Mighty Pleasant, who completed their season with only one loss, soundly thrashed the Purple and Gold of A.H.S. by a score of 37-0. We lost quarterback Chmura on the opening kick-off but Joe Sarline ably filled the vacancy. Two of his long passes were dropped deep in Pleasant territory. Man for man the Big Red outweighed the Hill but inspiration of Pleasant told the story.

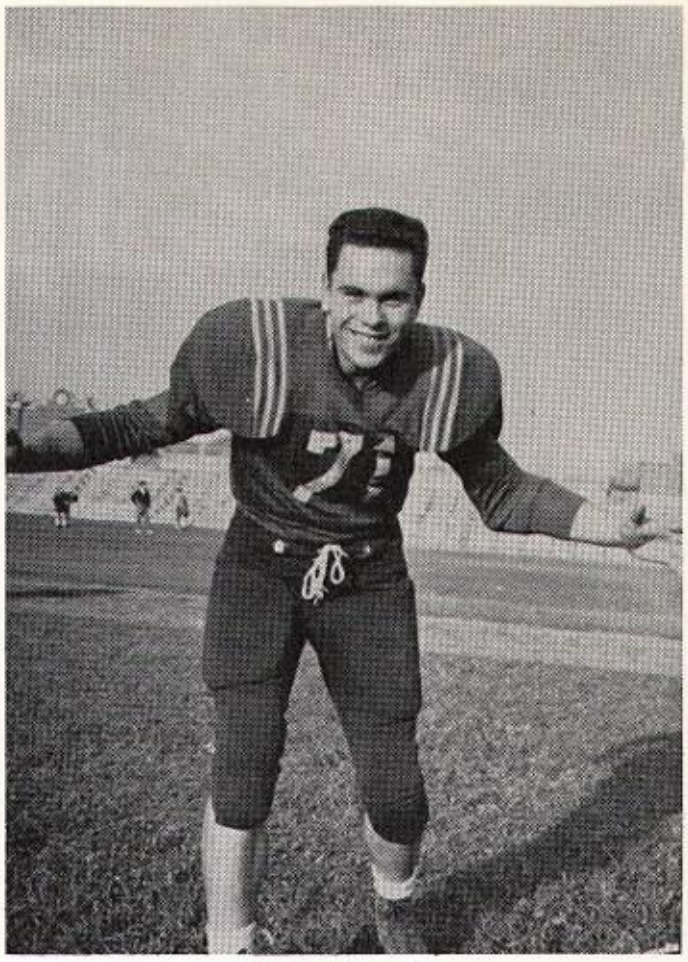
AHS 0 — MONT PLEASANT 37

Powerful Chucky goes over for the Hill.



DANNY WSZOLEK

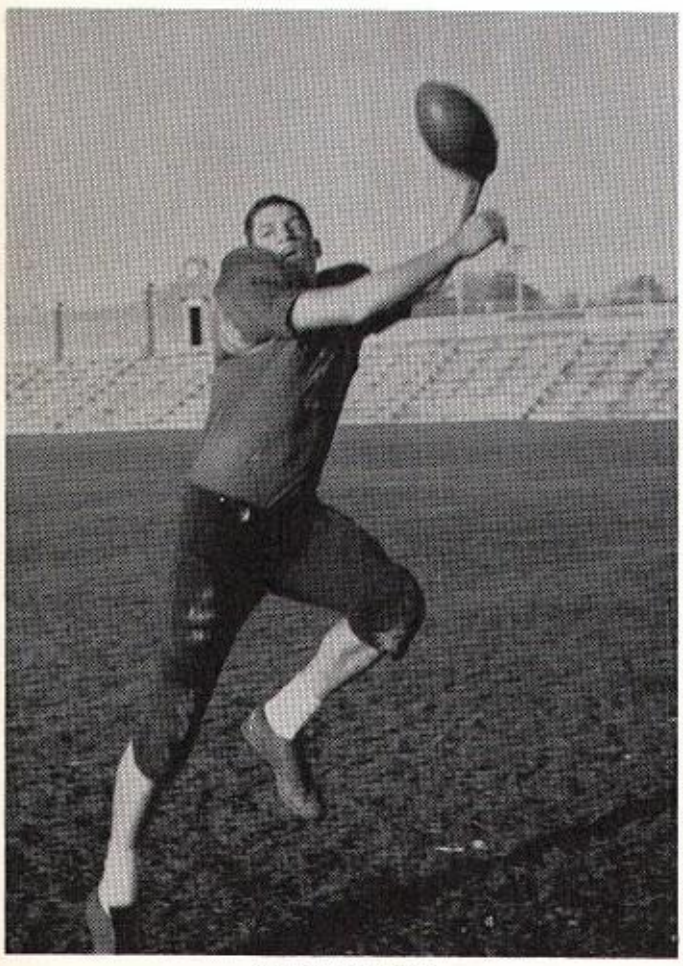
There he goes, right up the middle.



MIKE NABOZNY

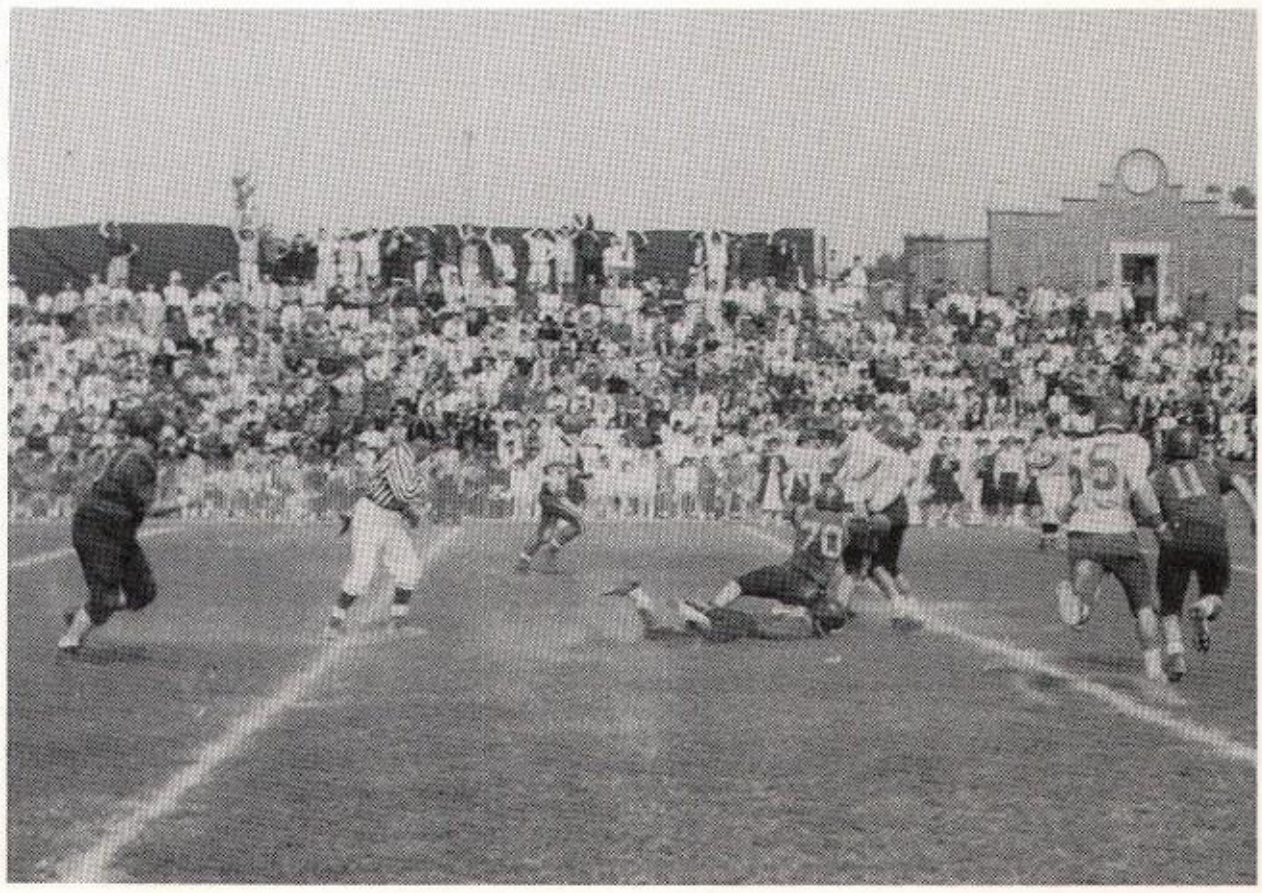
ALBANY 20 — AHS 6

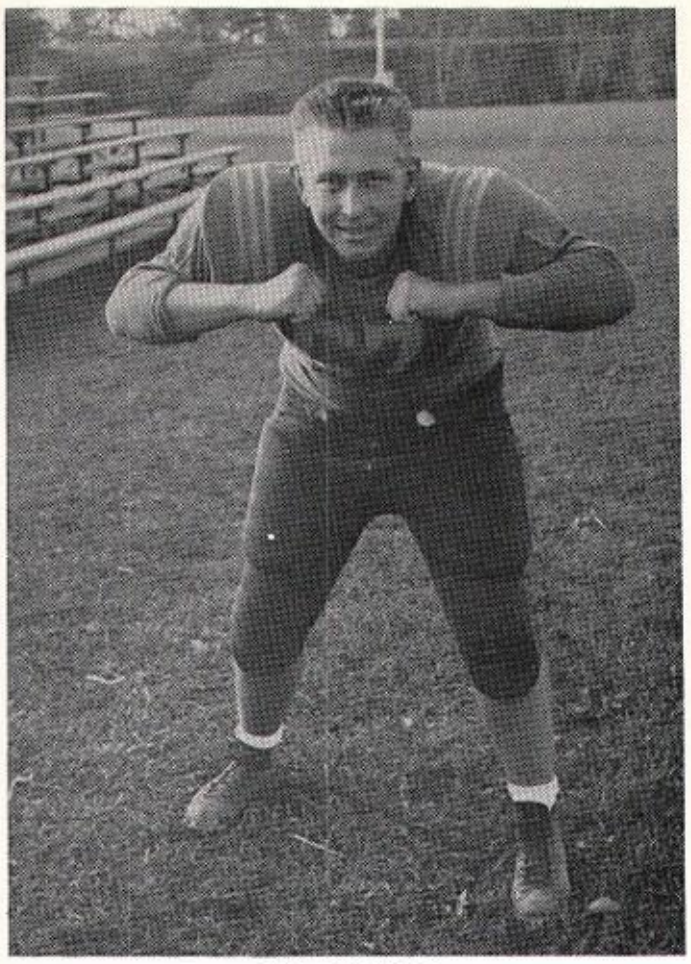
As usual, the Hilltoppers were superb on defense during the first half. Thus far, Pleasant was the only team to score in the first two periods of any game, and Albany fumbled four times on hard tackles. Sarline's tosses were again misjudged however and prevented Amsterdam scores. In the second half the Garnet drove for their touchdowns. The only bright spot was a Sarline to Mason touchdown pass covering 70 yards.



JACK RUSH

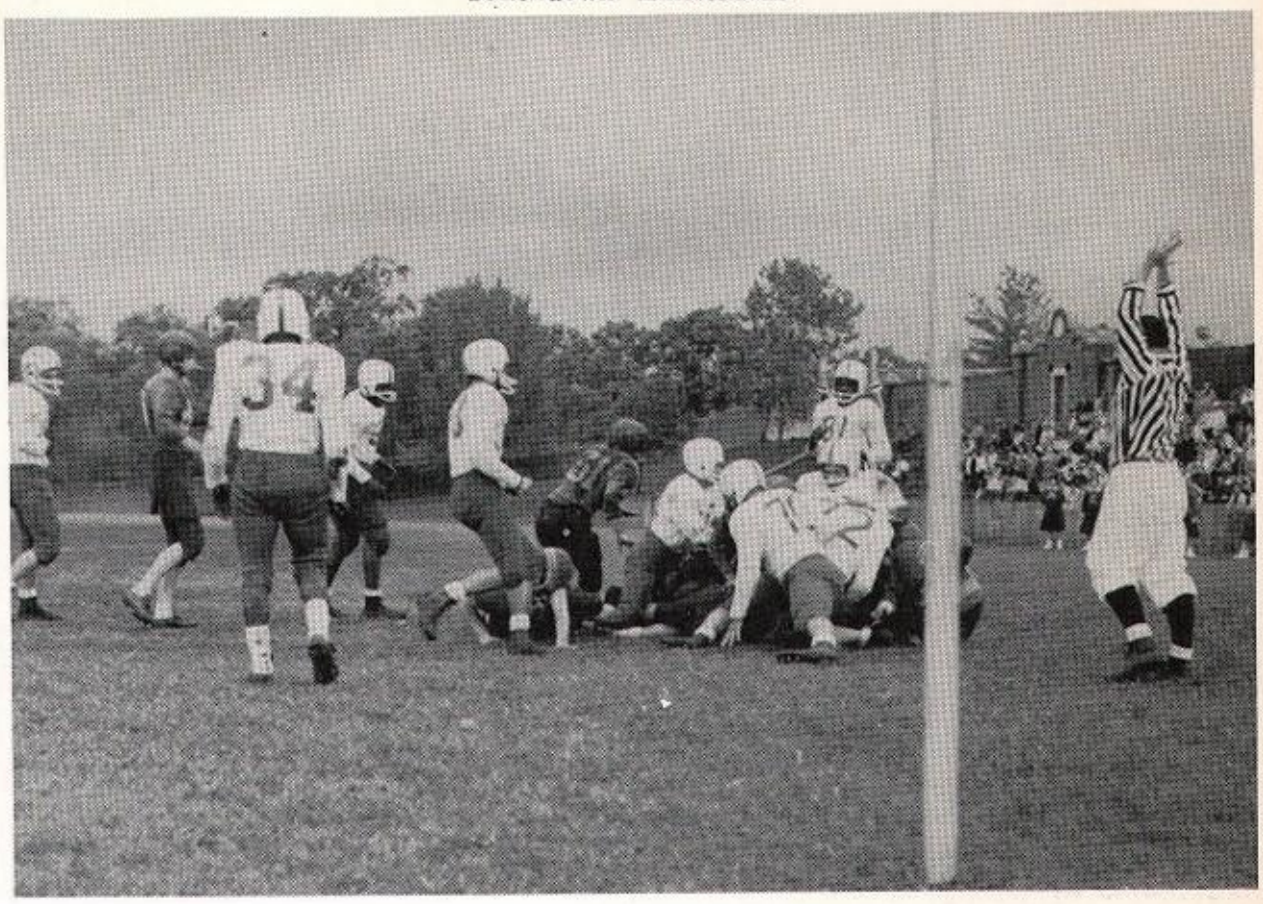
Loose ball, cover it.





ED KOZIOL

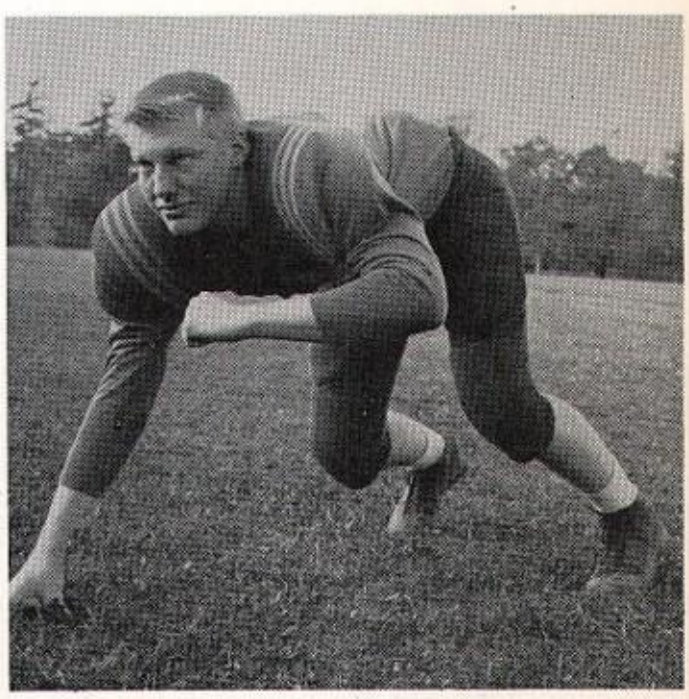
Touchdown Amsterdam.



Coach Long's offense finally opened up as his charges defeated the fast Schuyler team. Sarline's passes were the big factor as he once completed six in a row, his targets being Andrus, Dulczewski and even Marks on a tackle pass. Sarline snuck two scores behind wedge blocking, and Riccio blasted over for the other. Schuyler's only score came on a tough-to-defend roll-out pass play.

AHS 20 — SCHUYLER 6

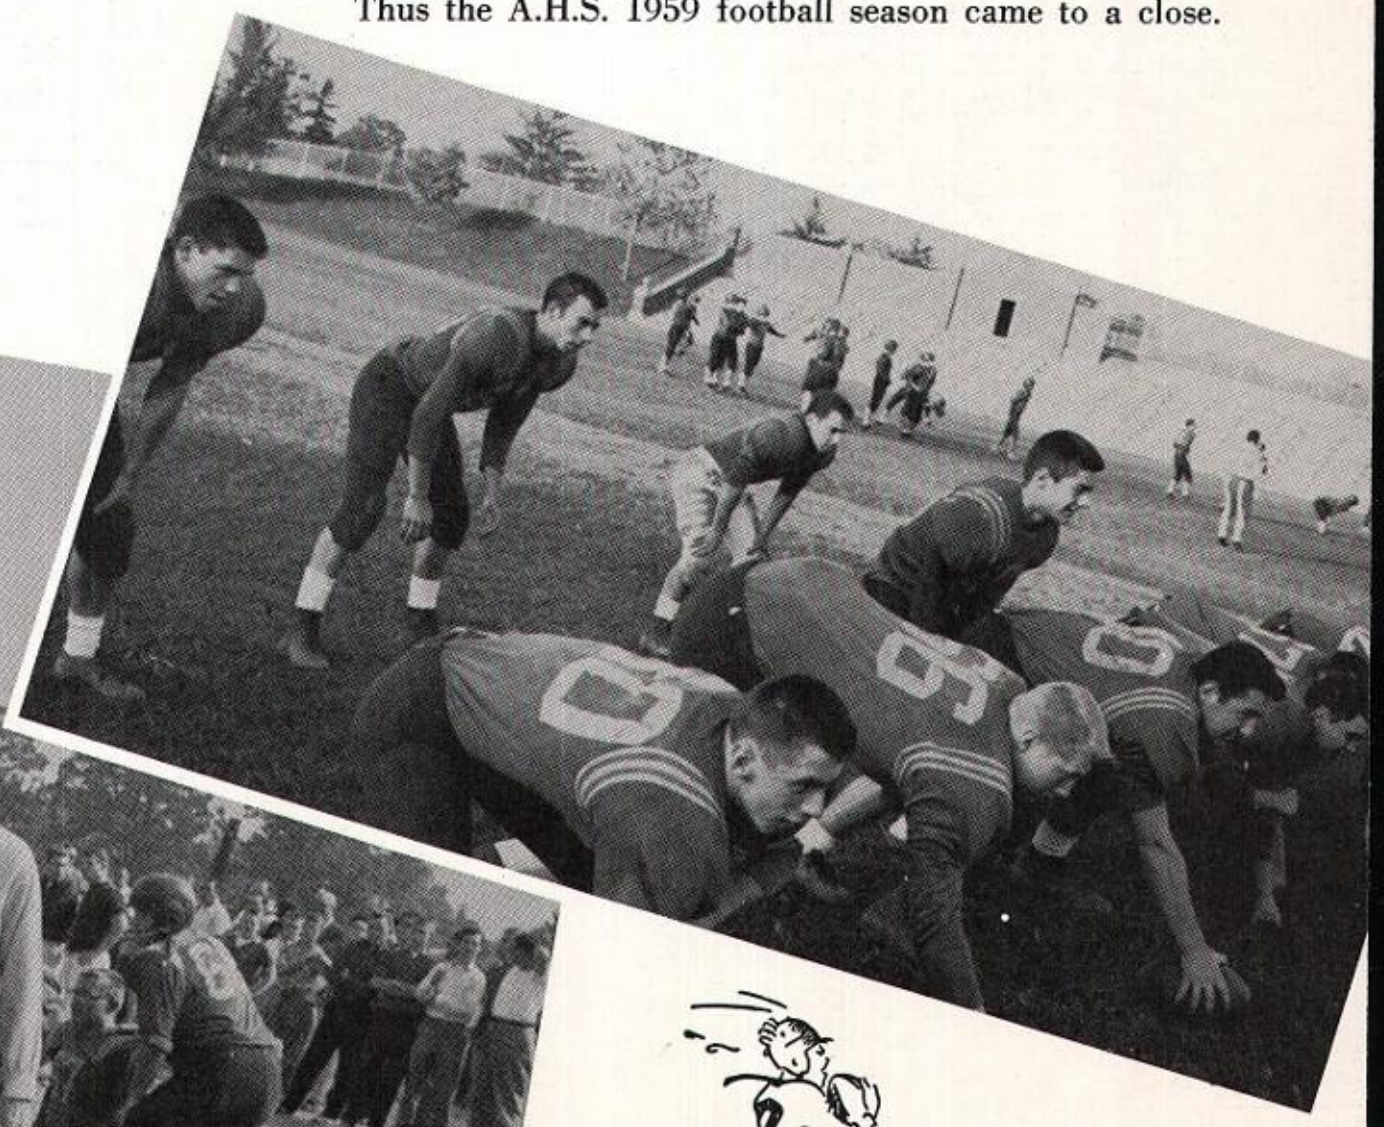
You're not going to catch him now.

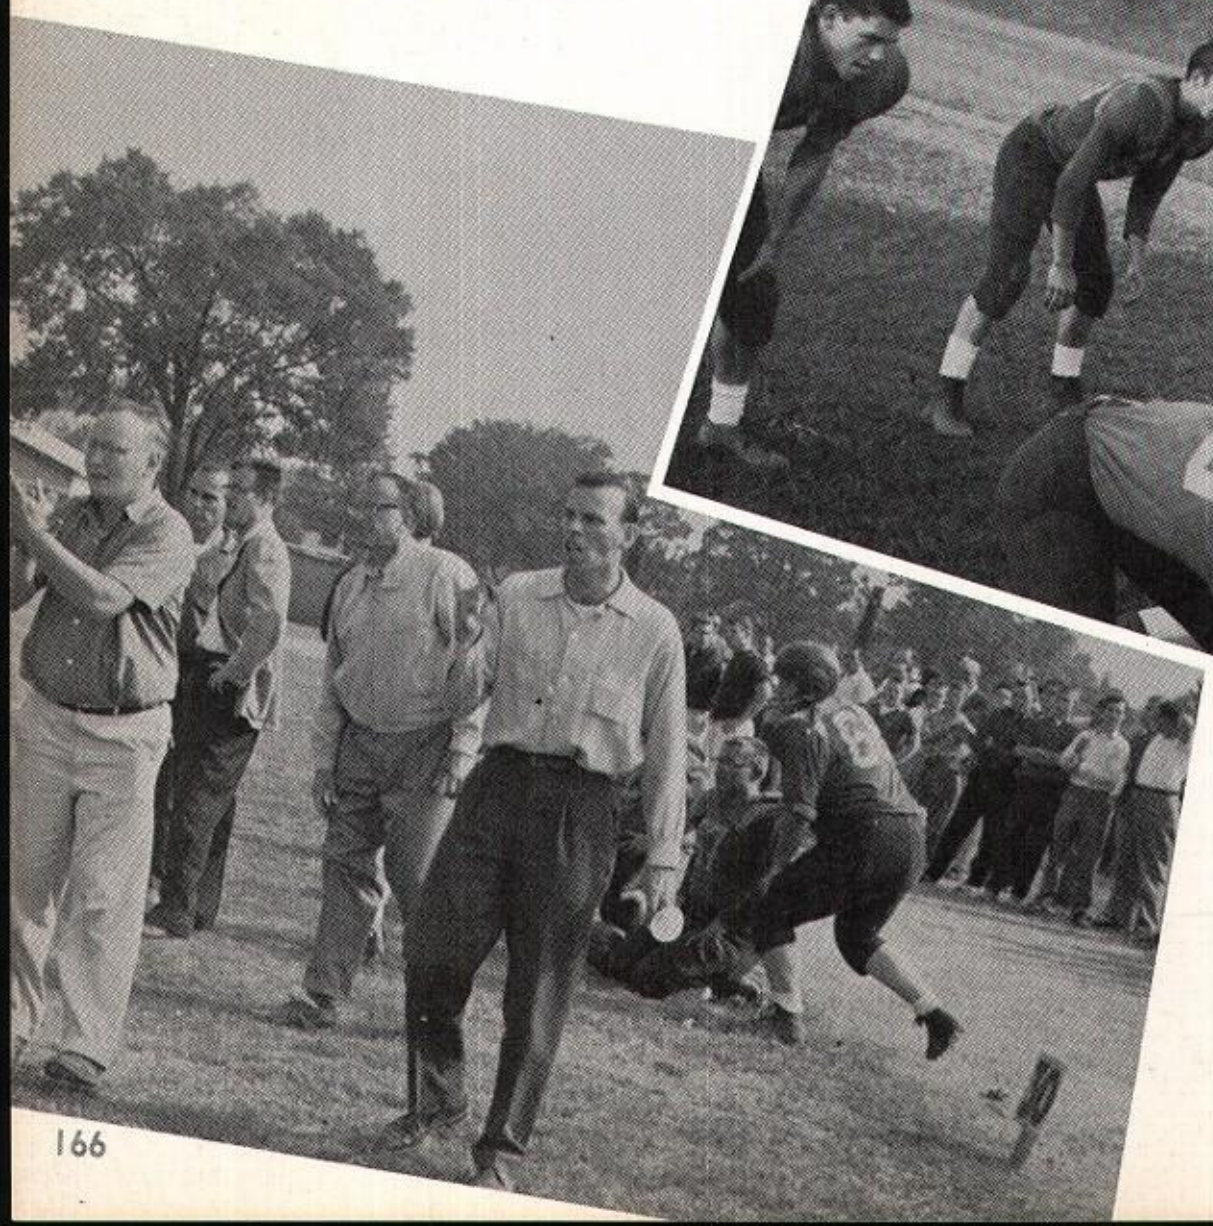


GORDON COOK

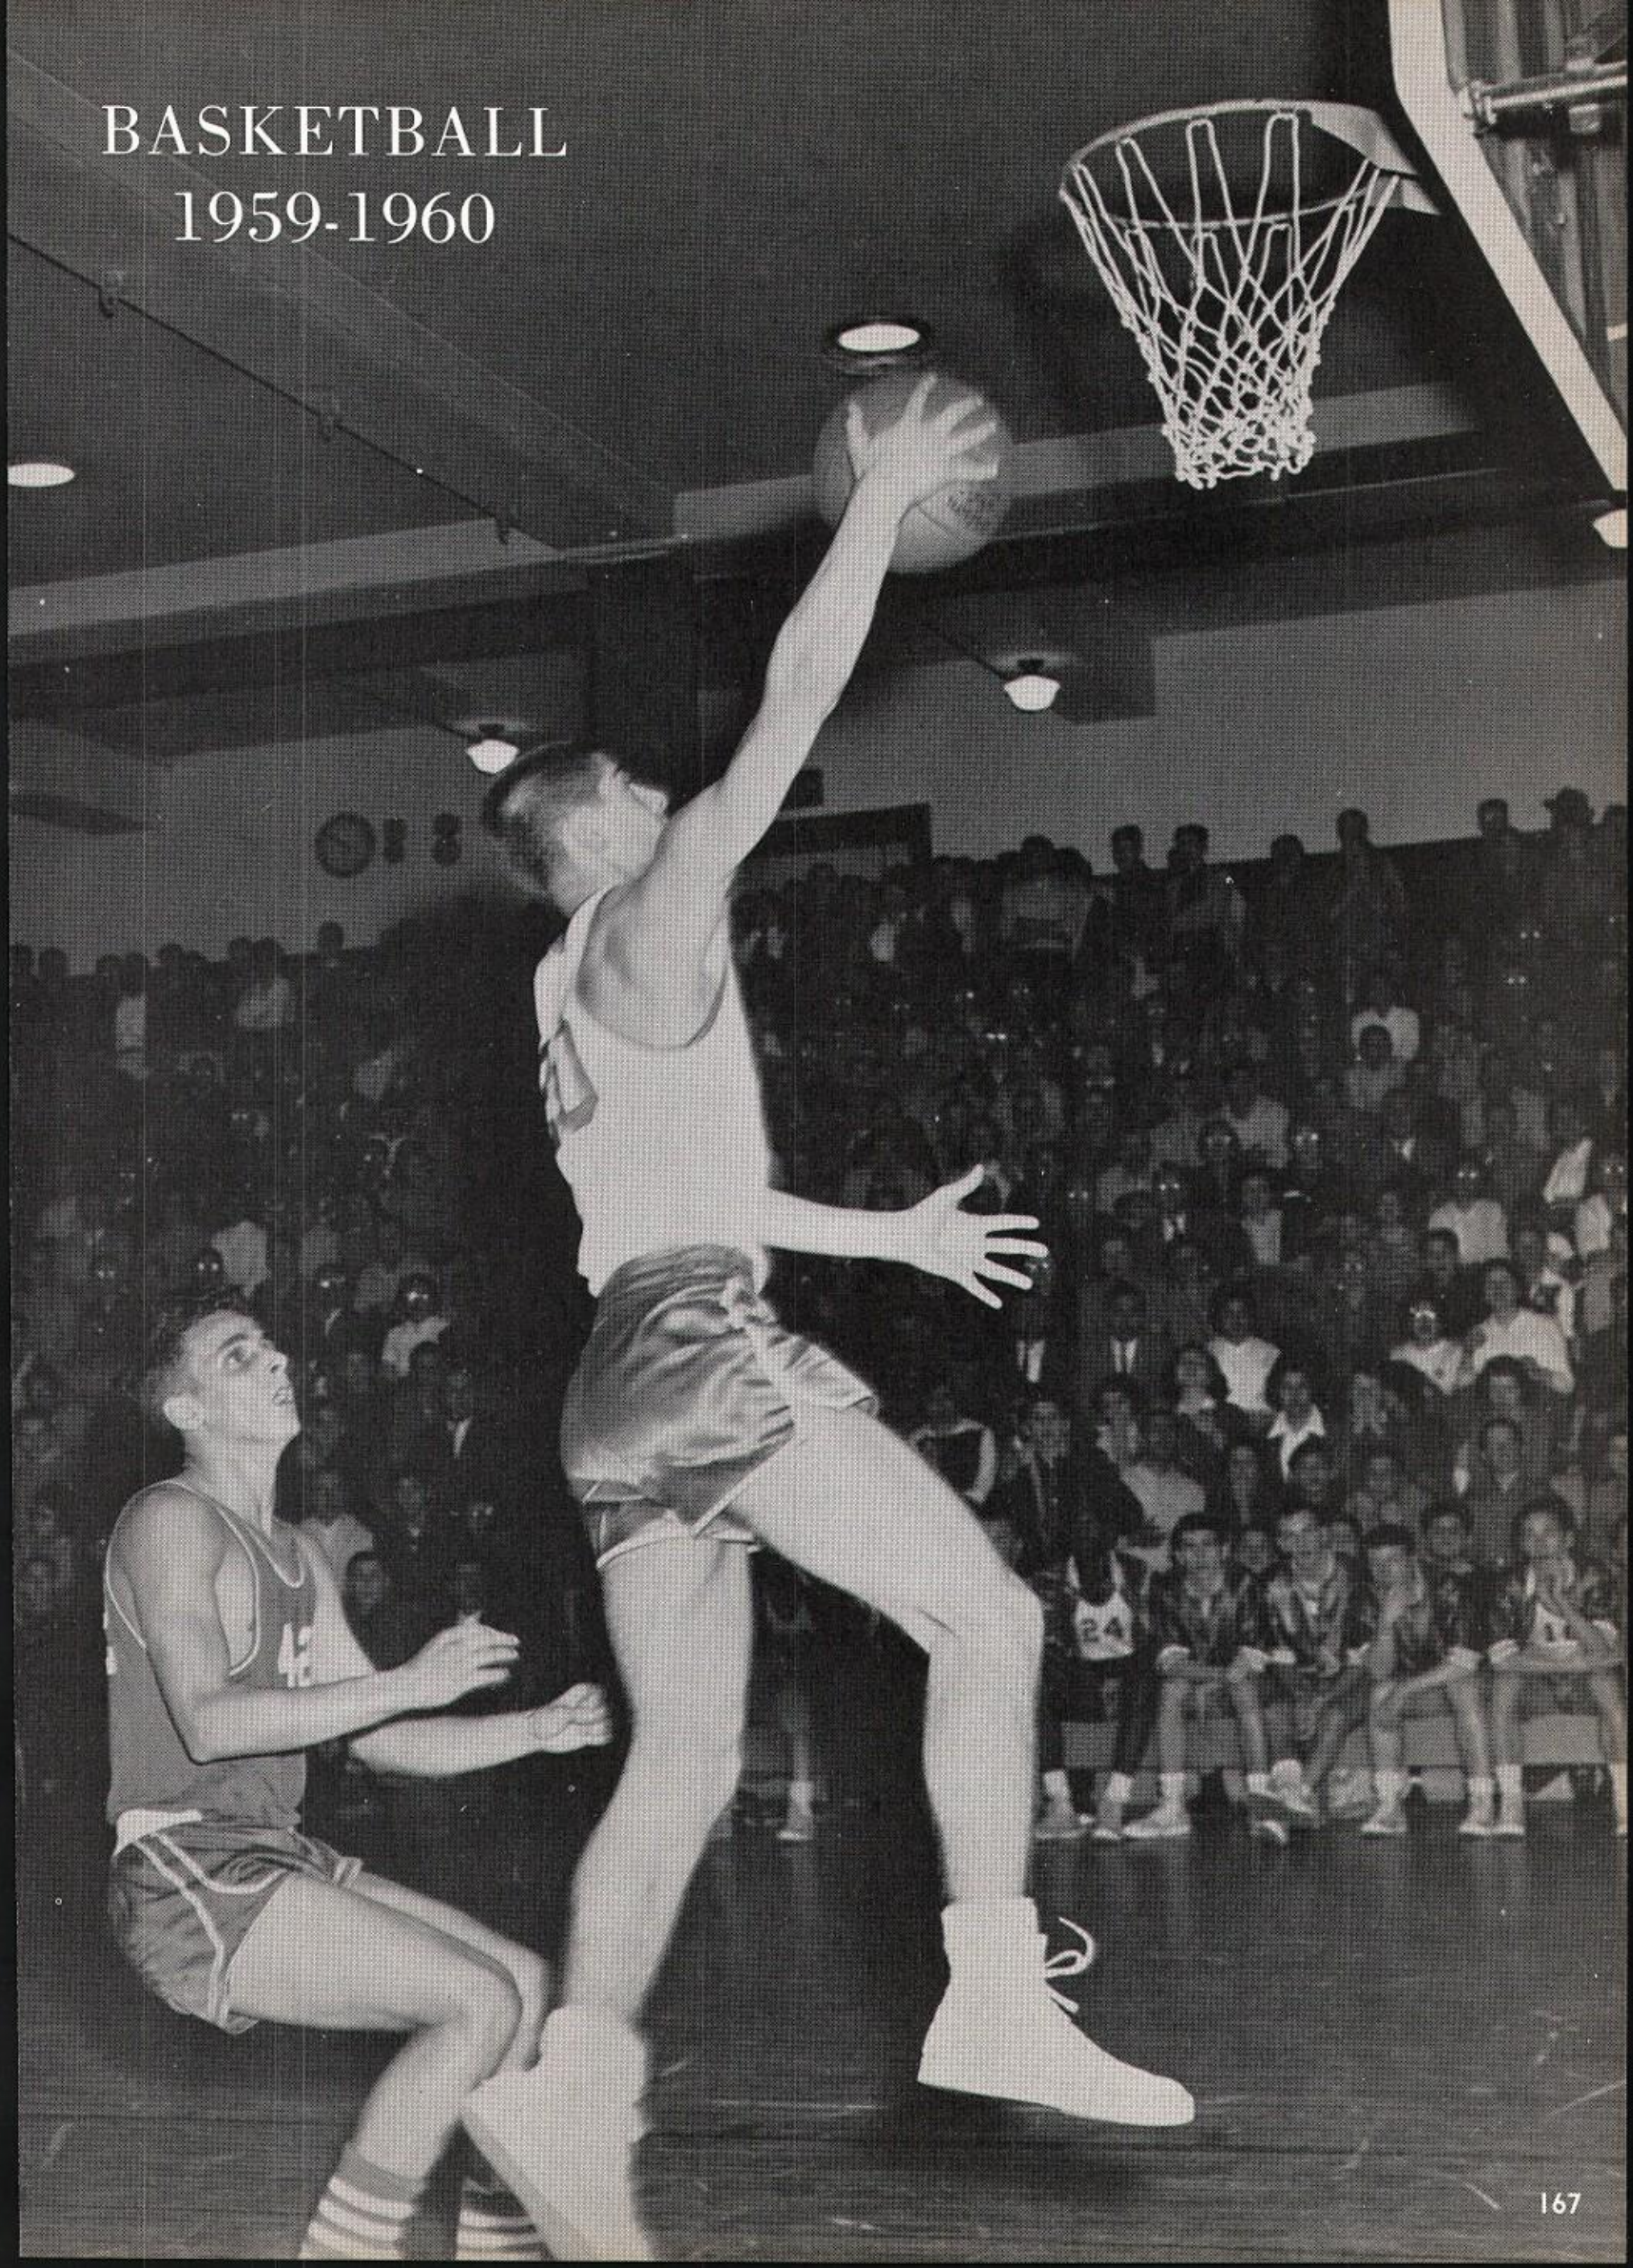
TROY 33 — AHS 13

The upset of the year occurred as the winless Trojans defeated our Hilltoppers on a day when they were all thumbs. More than 300 yards of penalties didn't help the Hill attack any. Two touchdowns were called back in the first half and Troy became the second team to score on A.H.S. in the first half. Penge and Andrus both scored on long pass plays from Chmura. A.H.S. gridders traveled alone to Troy as the game was played on a school afternoon. Thus the A.H.S. 1959 football season came to a close.





BASKETBALL
1959-1960



FIRST ROW: Manager, Doug Gottung; Dave Kaminski; George Berg; Andy Chmura; Pete Costello; John Dulczewski; Harrison Wood. SECOND ROW: Coach Johnny Varsoke; Howie Derrick; Rich Andrus; Don Safran; Jim Hartig; Len Bush; Bill Slezak; Helpers: Butch Miller; Mike Hall. Missing: Manager Pete Valerio.

VARSITY '60

Coach John Varsoke led the 1959-60 AHS cagers to a 13-4 record, the best any team has done under him. Led by the scoring efforts of co-captain Don Safran, who sported a 21 point per game average and co-captain Len Bush, good for 15 markers a game, the Hill defeated all comers at least once, with the exception of the Linton Blue Devils who tasted no defeats. Juniors Howie Derrick and Harrison Wood added to the balanced attack. Together they accounted for 262 tallies, reaching the twin figure column more than often. The sharp passing of seniors Andy Chmura and Duke Dulczewski balanced the Hilltopper attack. Their combined effort of 45 assists proves their value to the team. The twin rebounding pair consisted of big Rich Andrus and hard-playing Bill Slezak. Both seniors, they were on the spot when the going was rough under the boards. Pete Costello, a sparky senior often wowed fans with his impossible shots. John Daly rounds out the list of boys who've played their last game. John improved steadily and had his best night with 13 points against Troy. George Berg, Jim Hartig and Dave Kaminski are all the juniors who will carry the bulk of next year's team. Berg, a hawk on defense, once stymied Joe Loudis. Hartig, a good jump-shooter hit 8 points in one quarter. Kaminski rebounded, drove and made several clutch shots.

The Hillmen averaged 70 points per game and held their opponents to 53, their best total being 86.

CHARLEY'S AUNT

Jack Chesney, violently in love with Kitty Verdun, and Charley Wykeham, very much in love with Amy Spettigue, invite the girls to luncheon at Jack's rooms, so that they may meet Charley's aunt from Brazil, Donna Lucia D'Alvadorez. When Donna Lucia wires that she has been detained, the boys, desperate for a chaperone, force a friend, Lord Fancourt Babberly, to pose as Charley's aunt. The fake aunt is introduced to the girls, to Jack's father, and to Stephen Spettigue, Amy's guardian. The two men make love to her; he (she?) cavorts with the girls. Then the real Donna Lucia turns up and assumes another name. In the comic confusion which results, Charley and Jack get Mr. Spettigue's consent to marry the girls; the real aunt becomes engaged to Jack's father; and Lord Fancourt regains the fortune and the girl he had lost at Monte Carlo.
